when you book one of our
Service Packages usually \$45

Vehicle service terms & conditions. Not to be used in conjunction with any other promotional offer. On standard petrol vehicles the service includes oil change with up to 4.5 litres of quality mineral oil and a standard oil filter (up to \$15 retail inc. GST). Some vehicles may require additional oil, synthetic oil or oil filter at an additional cost. Price based on a petrol vehicle, excludes European or diesel vehicles. Different servicing prices apply to diesel and European vehicles.
